Dear Parishioners,
I found the following reflection very intriguing; it was prepared by the Armagh Diocesan Spirituality Group.

Please read it carefully!

Refugees

They have no need of our help
So do not tell me
These haggard faces could belong to you or me
Should life have dealt a different hand
We need to see them for who they really are
Chancers and scroungers
Layabouts and loungers
With bombs up their sleeves
Cut-throats and thieves
They are not
Welcome here
We should make them
go back to where they came from
They cannot
Share our food
Share our homes
Share our countries
Instead let us all
Build a wall to keep them out
It is not OK to say
These are people just like us
A place should only belong to those who are born there
Do not be so stupid to think that
The world can be looked at another way.
(Now read from the bottom to the top)

With every blessing
Colum Curry PP
