Dear Parishioners

We do our best to live as good Christians but it is not easy to stay in good spiritual shape. Even the best of lives can benefit from a bit of pruning. The good fruit that we are expected to produce is love of our neighbour in word and deed. The dead wood that needs to be cut away in our lazy ignoring of the needs of others whom we are perfectly well able and well placed to help. Even worse is the poisoned wood that spreads when we gossip or unfairly criticise other people. On the other hand, showing love for our neighbour in practical and generous ways, in acts of kindness and words of compassion, will more than make up for a multitude of our own sins.

If Jesus is to make a difference in our lives and in our world, it is through his followers living and behaving in such a way that people will see the hand of God at work in the most ordinary, everyday situations. Jesus depends on us to be his hands and his voice carrying his gentle care to others. If we live in Jesus and he lives in us, we can bear fruit beyond all imagining. God nourishes us by word and sacrament and sets Jesus before us as example and inspiration. As God gives us so much, it is only fair and reasonable that he expects us, in our turn, to make God's love real in our community and in our world – each of us making a difference for good in God's name.

Very Rev Kevin Donaghy PP VG
