**27th Sunday of the Year**

**7 October 2018**

Dear Parishioners

Some extracts from the address of Pope Francis to married couples in Dublin, August 2018.

*"In growing together in this partnership of life and love, you have experienced many joys and, to be sure, not a few sorrows as well. Together with all spouses who have come far along this path, you are the keepers of our collective memory. We will always need your faith-filled witness."*

*"Did you quarrel a lot? The secret is to make up before the end of the day. And to make up there is no need to talk; a caress is enough, and peace returns".*

*"When a Christian man and woman enter the bond of marriage, God's grace enables them freely to promise one another an exclusive and enduring love. Their union thus becomes a sacramental sign – Jesus is ever present in their midst".*

*"In the home, through the quiet, daily example of parent... children learn the meaning of fidelity, integrity and sacrifice. In this way, children can breathe in the fresh air of the Gospel and learn to understand, judge and act in a manner worthy of the legacy of faith they have received".*
