25th Sunday in Ordinary Time

22 September 2019

EDENDORK PRIMARY SCHOOL

Edendork Primary School has a long standing reputation in providing excellent education for the children in its care. As a Catholic school serving the needs of children in our parish and the surrounding area, we are delighted that a state of the art new school build is currently being planned and will be built in Edendork in the near future. In meeting the needs and demands of education in the 21st century, this facility will continue to give pupils attending Edendork Primary School great opportunities for the future.

There will be a public consultation evening on 25 September in Edendork Primary School, between 7.00pm and 9.00pm, to which everyone is invited. This will allow members of the community to view the current design, ask questions and give feedback. It is anticipated the planning application will be submitted in autumn 2019.
