Third Sunday of the Year

26 January 2020

Dear Parishioners,

### **CATHOLIC SCHOOLS WEEK 2020**

We have much to celebrate and to be thankful for in our Catholic schools. Yet again this year the regional newspapers have listed the top-performing post-primary schools in terms of GCSE and A-Level results and yet again our Catholic schools have featured prominently among the top performers. We know that the outstanding work done in our primary schools sets the foundation and begins the journey towards the success of the later years. We know too that Catholic school life is about so much more than examination results. It involves high quality pastoral care and excellent relationships, it promotes confidence in each individual and urges all to reach for their true potential, it includes outreach to people less fortunate than ourselves – and it helps us all to grow in faith, to share gospel values and to reflect the love of God to all with whom we share our lives. All of this forms part of the Catholic ethos alongside the more open expressions of our ethos such as the crucifix on the classroom wall, the holy pictures and other imagery, the celebration of the Saints' days and the preparations for the sacraments. May God bless all who attend and work in our Catholic schools.
